

# Learning Log: Reflect on your skills and expectations

## Instructions

You can use this document as a template for the learning log activity: Reflect on your skills and expectations. Type your answers in this document, and save it on your computer or Google Drive.

We recommend that you save every learning log in one folder and include a date in the file name to help you stay organized. Important information like course number, title, and activity name are already included. After you finish your learning log entry, you can come back and reread your responses later to understand how your opinions on different topics may have changed throughout the courses.

To review detailed instructions on how to complete this activity, please return to Coursera: [Learning Log: Reflect on your skills and expectations](#).

<b>Date:</b> <enter date>	<b>Course/topic:</b> Course 1: Foundations: Data, Data Everywhere																																		
<b>Learning Log:</b> Reflect on your skills and expectations																																			
<b>Complete the Analytical Skills Table:</b>	Here is the Analytical Skills Table for you to fill in. Put an "X" in the column that you think best describes your current level with each aspect.
